Final Day of term –  
2pm Finish

### SEPTEMBER

- **Wednesday 7<sup>th</sup>**  
8.50am - Start of  
2022-23 academic  
year

Welcome back to the final half term of the year. I am pleased to be announcing a number of events in the upcoming few weeks that have been sadly missing from communications in the past few years. Sports Day is back (see details below), our annual Key Stage 2 production is back with parents and carers being able to come and watch in person (details below) and a whole school PTFA run Y6 Leavers Disco is also scheduled (again see below). With only 5 weeks remaining of the school year, there will be a lot to fit in. Enjoy the rest of the summer term – Mr Brearey

## Sun cream and Sun hats

With hot and sunny days finally here, please make sure your child has their water bottle, sun hat with them and sun cream applied before school.

Please make sure their water bottles are filled only with water and are brought in every day. Make sure hats are labelled with your child's name and apply sun cream to your child's arms, legs and face before school.

## Sports Day

We have scheduled Sports Day for the afternoon of **Monday 27<sup>th</sup> June from 1.15pm** until the end of the day. Parents and carers are all invited to watch proceedings in the outdoor seating areas provided.

On the day, we ask that all children come dressed in a t-shirt in their given team colour (this information will be passed on to you by the class teachers) and normal summer outdoor sports kit. Please ensure that children have a sun hat and an extra drink for the day in case the weather is very hot. Shade will be provided for all the children.

## Key Stage 2 Production

This year's production is entitled: 'Move It...' and as the title suggests, there will be a lot of dancing and music involved in the performance this year. Performances are scheduled for the following dates and times:

- Tuesday 12<sup>th</sup> July – Afternoon performance
- Wednesday 13<sup>th</sup> July – Evening performance #1
- Thursday 14<sup>th</sup> July – Evening performance #2

Further details about tickets, start times etc will be circulated in a separate letter.

## Y6 Leavers Service

This is scheduled for the morning of **Tuesday 19<sup>th</sup> July**, Year 6 parents are invited to attend this leaver's service. It will be from 9.15am to 10.00am in the school hall.

## PTFA Y6 Leavers Disco

This is scheduled for the evening of **Tuesday 19<sup>th</sup> July**.

Year 6 are invited to attend early for a 'special pre-disco party' from 5.30pm with the rest of the school being able to attend from 6pm until we finish at 7pm.

Payment for entry will be on the door and refreshments and sweets/crisps will be available to buy during the disco. We are hoping the weather will allow us to hold the even outside – as we have done in previous years.

---

## Covid 19 Updates

Although the legal duty to test and isolate has been removed, we have had a few cases of Covid-19 in school in the past 7 days. Please can we ask parents and carers to follow the following procedures:

If your child has a high temperature or display any other Covid-19 symptom, please use a lateral flow test to check if it is Covid-19. If this test is positive, your child should stay home from school for a further 3 days after the day of the test.

They may return to school on the 4<sup>th</sup> day as long as they do not have a high temperature and are feeling well in themselves.

Please call school to let us know about any Covid-19 cases.

---

## Final Day of Term

School finishes at **2pm on Wednesday 20<sup>th</sup> June**. Please arrange to collect your child/ren early on this day. A separate letter will follow about this.

---

## Weekly Lunch Orders Deadline

Please remember that the deadline for ordering meals for the following week is always Wednesday at midnight. If you are experiencing problems with ordering meals, please contact the school office.

---

## Absence From School Due to Illness

If your child is absent from school due to illness, please call the school for everyday of illness and when phoning please be as specific as possible. Please don't generalise things like 'they are unwell or feeling under the weather'. Be specific, e.g., 'they have temp and sore throat', 'a tummy upset', 'they have been sick'

We currently complete a daily return to the Department for Education and this requires specific details on the number of absences we have and their causes. Your help in this matter is greatly appreciated.
